## **PURPOSE OF THE PROGRAM**

Each year for the purpose of advancing cross-cultural awareness and enhancing the cultural competence of service professionals who work with the Hmong community, the Hmong Cultural Center provides multicultural education presentations about the Hmong people, their history and culture and contributions to the U.S. to hundreds of people of all ages and walks of life at the center and at schools and workplaces in Minnesota, Wisconsin and Beyond.

Our unique Hmong 101 Program was featured in a front page story in the *Saint Paul Pioneer Press* newspaper on September 3, 2004. The program was a finalist for the 2004 Anti-Racist Programming Initiative Award from the Minnesota Council of Non-Profits.

## **PRESENTATION CURRICULUM**

The Hmong 101 Program curriculum is flexible and is adapted to meet the needs and interests of groups. Presentations are 1-2 hours with considerable opportunity for participants to ask questions

Sample Topics in the curriculum include:

- Hmong History
- The Hmong Refugee Experience and Why Hmong Refugees Came to the United States
- Hmong American Population and Social and Economic Demography (2010 Census)
- Diversity in the Hmong Community

## **PRESENTATION CURRICULUM (Continued)**

- Basics of Hmong Culture (Clans, Religion, Health and Medical Beliefs)
- Basic Greetings in the Hmong Language
- Hmong Schoolchildren and School-Parent Relationships
- Cultural Etiquette for Interacting with Hmong Children and Families
